### From the chairman

Our next EBA/ESA Convention is fast approaching and I am looking forward to the meetings and exhibition in Audincourt.

I ask that each Delegate promotes the event within their region and makes every effort to attend the Round Table and Annual General Meetings. There are items on the agenda that I would like to be the subject of discussion, first the proposed new EBA Logo and second the future administration of the New Talent Competition.

Please look at the EBA website – it is now under the control of a new webmaster. We need articles of Bonsai events in and around Europe, events planned and reports following the event. Our aim must be to make the website as vibrant and interesting as possible. Photographs and written articles can be sent direct to the Secretary or myself.

They will then be posted on the website without delay

Reg Bolton.
